

Adherence Across The Lifespan

Join the Johns Hopkins University AIDS Education and Training Center (AETC) in hosting the **8th Annual Adherence Across the Lifespan HIV Symposium**. This virtual symposium will address the unique issues of getting to viral suppression through Antiretroviral Therapy (ART) adherence in adolescents as well those aging up with HIV/AIDS. Experts in the field will provide current information pertaining to the timeline from treatment to viral suppression of HIV including Monkeypox, COVID-19, Substance use disorder, mental health issues, patient advocacy, barriers, challenges and best practices through informative interactive presentations.

TARGETED AUDIENCE: MD's, Nurses, PA's Public Health Practitioners, Social Workers, Community Health Workers, Counselors, and Case Managers. CEUs for Social Workers, Counselors, and therapists are available.

Registration is now open!!
Tuesday, November 22, 2022
9:00AM – 2:00PM
